CONCERN FOR OTHERS, PROTECT THE ENVIRONMENT

Inland and coastal waters are part of the nation's heritage, often forming the beauty of our surroundings. The huge interest in water recreation puts great demands on these resources.

At all times we must ensure that our fish, wildlife and environment are protected for the future of angling as a sport, not just here at Hinchingsbrooke, but at all venues across the country. In order to do this we must show respect by keeping these key points uppermost in our thoughts

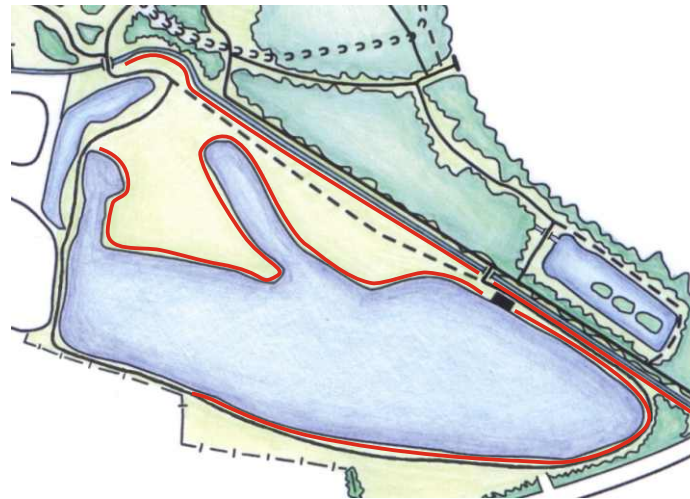

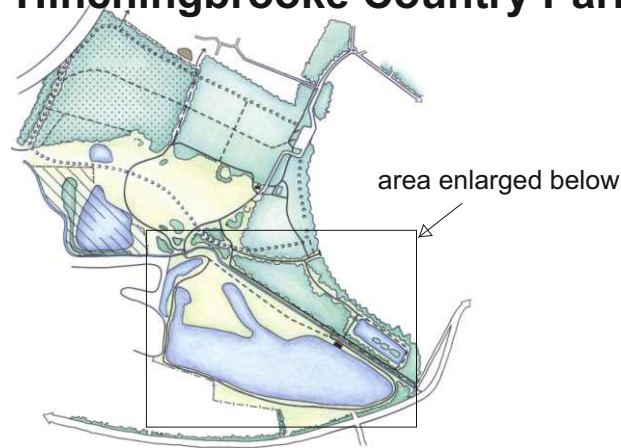

Respect

Your quarry, wildlife, the environment, and other lake users

Do not

discard line or tackle
leave baited rods unattended
leave unused bait on the bank side
shout or cause excessive noise

Permitted fishing areas at Hinchingsbrooke Country Park

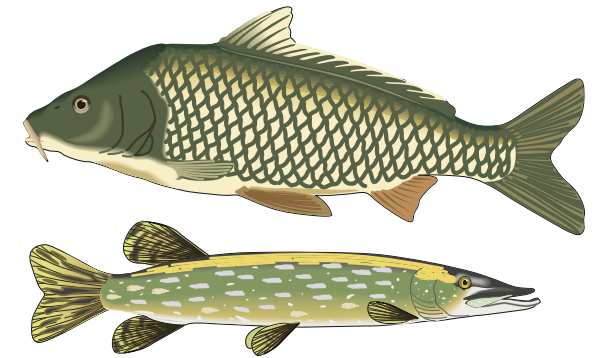

— Fishing allowed in these areas only

Hinchingsbrooke Country Park
Brampton Road
Huntingdon
Cambridgeshire

Season and day tickets are available:

- * on the bank from the bailiff
- * from Stanjay Tackle & Trophies,
7 Old Court Hall,
Godmanchester, PE29 2HS.
Tel: 01480 453303

Rules

Please note that these rules are in addition to and compliment those contained in the Brampton Angling Society membership book.

1. There is NO fishing during the closed season, 15th March to the 15th June inclusive.
2. Fishing is allowed from dawn to dusk. NO night fishing.
3. All tackle and other equipment must be kept on platforms or in swims and not obstruct the paths.
4. Anglers must keep platforms, swims and surrounding area tidy and litter free. All litter in the area is the responsibility of the angler. All litter should be taken home.
5. If tackle is lost out of reach the Rangers must be informed.
6. Anglers may not cut back vegetation, clear or dig out swims without prior permission of the Rangers.
7. Three platforms for disabled anglers are available. Able-bodied anglers using these must move if requested by a disabled angler.
8. It is recommended that an adult accompanies junior anglers.
9. NO fish are to be transferred from other waters, or between waters in the Park. NO fish are to be removed from the Park.
10. The Rangers have the right to shut swims without notice for the purpose of maintenance or repairs
11. NO boating or swimming is allowed.
12. All normal angling methods and baits are allowed.
13. Excessive pre-baiting and excessive use of ground bait is not permitted. Please take surplus bait home, do not leave in or around swims or in the water.
14. Barb-less hooks are recommended.
15. The fish in the lake can grow to a considerable size; adequate breaking strain line must be used. If fishing for pike or carp a minimum breaking strain of 10-12lbs is recommended. An appropriate sized landing net should be used.
16. Wire traces must be used at all times when fishing for pike and adequate unhooking facilities should be at hand.
17. For the welfare of the fish it is recommended that unhooking mats are used.
18. Respect all other users of the lake.
