REGULATIONS FOR USE OF SEASON PARKING PERMIT

1. The issue of a permit does not guarantee the availability of a car parking space.
2. Permits will cease to be valid after the date shown on the permit.
3. Vehicles parked without a valid permit clearly displayed in the windscreen of the vehicle will be subject to the normal parking regulations applicable to the car park.
4. This permit is only valid if displayed on the vehicle showing the registration number(s) printed on the permit. If another vehicle is being used then the driver must comply with pay and display and maximum stay requirements.
5. You will be required to show your V5 Vehicle Registration document or supply a letter from the owner authorising the use of their vehicle.
6. Where parking bays are provided, then the vehicle must be properly parked in the marked parking bay and in a position that does not cause an obstruction.
7. If at any time, the holder of the Season Ticket wishes to rescind the Permit, a refund will be considered for any whole, unexpired months, minus an administration charge.
8. A £5 administration charge will apply for the issue of a replacement permit.
9. Any other regulations as set out in the above parking order.
