

Who do I contact?

Helping you to find the right Council first time

Introduction

In our district there are three main Councils working together to provide your services. These Councils are:

Cambridgeshire County Council
Huntingdonshire District Council
Town and Parish Councils

Sometimes knowing who to contact can be difficult because each of the Councils has responsibility for different things. This leaflet has been produced as a quick guide so you will know who to contact for each of the main services provided.

Cambridgeshire County Council

Town & Parish Councils

There are several Town and Parish Councils within our area, and you will need to contact your local Town or Parish Council directly. Details can be found on our web site: www.huntingdonshire.gov.uk/parishcontacts

The Town and Parish Councils deal with a range of services including some of the following:

Allotments, Bus Shelters, Cemeteries, International Twinning,
Lighting-Footway, Play Areas, Public Toilets, Village Halls, War Memorials
