About your Council Tax

Council Tax is payable on each domestic property, whether it is owned or rented, and the people that live in the property are usually liable to pay. The amount charged is dependent on the Council Tax Band of the property, which is decided by the Valuation Office Agency (VOA) according to the open market value **at 1st April 1991**. For more information, visit www.gov.uk/council-tax-bands

If you think your Council Tax Band is wrong - you may be able to appeal to the Valuation Office Agency, within 6 months of you becoming liable for the Council Tax. Please see their website for more information – www.voa.gov.uk - or contact them on telephone number: 03000 501 501.

You must keep paying your Council Tax instalments in the meantime.
