Dear Sirs

## **Locally-Led Garden Village Submission – Sibson Aerodrome**

Sibson Aerodrome is an exciting opportunity for Huntingdonshire to once again be at the forefront of transformational growth. The project is at an early stage with discussions with the Local Planning Authority only beginning in April this year, and some of the proposed elements do require further exploration. A lot has though been achieved in a short period of time and it is an exciting opportunity with the potential to create a truly outstanding community. Going forward, community engagement will be important and the Council is particularly keen to explore the through-school and Nene Valley Railway elements of the proposal.

The Council is therefore pleased to be submitting this Expression of Interest.

Yours faithfully,
