Dear Annette,

I understand that the process is coming to a conclusion and that Alconbury is not on the agenda at the moment, but a couple of points of interest have come to light that I feel the Inspector may wish to ask HDC.

1. It appears from a report of a meeting of the Alconbury Brook Partnership, relayed to the Parish Council by our liaison; that the County council flood officers involved with the Alconbury scheme were apparently not aware nor had seemingly been consulted about the plan for housing.

Alconbury is apparently a special case due to its being prone to flash flooding. This makes it a unique environment.

2. There are proposals with Luminus housing group to convert the Crown Gardens retirement housing into accommodation for up to 20 families to get them out of B&Bs. This would have a commensurate affect on the school etc.

3. We have responded to the HDC request to confirm the pdf of the 46A community bus timetable. It is as we declared at the meeting. It should also be noted that there is limited disabled access for he elderly with this service.

Apologies for the late nature of this interjection, but some of this information only surfaced today.

Yours ever hopefully,

Tom MacLennan

Dear Clara,

As stated at the hearing and I again confirm:

Alconbury is serviced by a community mini bus service with 4 inbound services from Huntingdon and four out bound to Huntingdon (as per the attached timetable). This is a critical point on the designation status for Alconbury as a Local Service Centre. I do believe the Planning Inspector should have a clear understanding this is a very limited community mini bus service and one which the village petitioned very hard for when the Stagecoach bus service was withdrawn. It is no direct replacement for the bus service once provided by Stagecoach.

I do hope the above paragraph can be provided in full for the Planning Inspectors reference.

Sorry for the very late reply and hope you received my out of office from your Friday email, I have only returned from holiday today.

Kind Regards

Roger

[REDACTED] of Bus Route 46a  
**Importance:** High

Dear Messrs MacLennan, Read and Bodley,

Further to the Matter 11 session of the Examination in Public of the Council's Local Plan which took place on Wednesday 19<sup>th</sup> September here at the Council offices we have been asked by the Planning Inspector to agree the factual position on the bus service for Alconbury. With that in mind I attach the bus timetable for the HACT (Huntingdonshire Association Community Transport) bus service and would be grateful for your confirmation of the schedule. I have attached in PDF form as it is not normal practice to ask Inspectors to investigate weblinks. This will then be included as a note to the Planning Inspector.

I would be grateful if you could confirm by close of business on Monday 24<sup>th</sup> September.

Many thanks and kind regards,  
Clara
